How To add js

```
$('.js-enabled').memu({  
  icon: {  
    inset: true, // create an inset where there is no icon  
    margin: { // specify the margins of the icon (put them how it's right for you  
      top: 4,  
      right: 10  
    }  
  },  
  width: 150, // the width of the (drop down) items  
  rootWidth: 75, // the width of the (root) items  
  height: 25 // the height of the items  
});
